We would personally not interview them, so as not to disclose our investigation. Normal protocol would not have USG law enforcement in country involved in these matters. These matters are handled by American Citizen Services and the Consular Section. Only if the Field Office requested an interview be conducted, would Legat Tel Aviv engage. Some subjects have already been released and flown back to their respective countries.

(U) On 05/31/2010, a six ship (passenger/cargo) flotilla attempted to break the naval blockade and reach the Gaza Strip. According to press releases and interviews with FATIMA MOHAMMADI, she was aboard the Turkish flagged shipped Mavi MARMARA when the boat was boarded by Israeli Naval Forces. Further, news reports and personal accounts from MOHAMMADI reveal that she was briefly detained and deported to Turkey. On 06/06/2010, the Israeli Defense Force (IDF) news desk released the following press statement in reference to five members on the Mavi MARMARA ship having ties to terrorism:

(U) "Fatimah Mahmadi (born 1979), is a United States resident of Iranian origin, and an active member of the organization "Viva Palestine", she attempted to smuggle forbidden electronic components into the Gaza Strip."
